### FedEx - Policy on Compliance with Antitrust/Competition Laws

Antitrust rules are contained in various legal instruments. The basic (and brief) provisions are contained in the Treaty on the Functioning of the European Union. A number of regulations have later been adopted, either by the Council or the Commission. Some of these regulations contain the general rules for the implementation of the Treaty provisions laying down, among others, the investigative powers of the Commission.

Commitment Guidelines. The Commitment Guidelines specifies when and how the antitrust authority would suspend and terminate antitrust investigations. The key provisions include: Exclusion of the commitment mechanism for hardcore cartels, including price fixing, output restriction and market sharing.

### China Publishes Four Long-Anticipated Antitrust Guidelines ...

Abstract. Climate Change is an existential threat. Competition law must be part of the solution and not part of the problem. This article draws on the constitutional provisions of the EU treaties and remarks by leaders such as Commissioner Vestager to show how competition law need not stand in the way of urgent action and co-operation by the private sector to fight climate change.

### Climate change, sustainability, and competition law ...

Antitrust laws can give managers a sobering dose of reality — even managers who believe they are obeying the laws. These days, most business-people know better than to sit down with competitors to fix prices or divide markets, and most are alert to the perils of pricing below cost until competitors fail.

### When Marketing Practices Raise Antitrust Concerns
