Arson 1 Estevan Vega

Arson by Estevan Vega is an exciting ride that gives the reader a realistic look at two teenagers with lives that are anything but ordinary. I have to say, Arson was not what I expected to my (pleasant) surprise. It contained all my favorites- mystery, romance, hope and intriguing characters. Arson, a 17 year old boy, can create fire with his mind.

Arson (Arson, #1) by Estevan Vega

Edgy, realistic, and breathtaking, ARSON, the chilling chronicle of an isolated teenager with unimaginable ability, is set to ignite the hearts and minds of a new generation. "Estevan Vega is a fabulous storyteller. I have a feeling he's going to be a major force in fiction."

Arson (Book One in The Arson Saga) by Estevan Vega ...

Vega gave rich detail, mystery, a refreshing and uncanny realistic tone that pulled me right into his characters' world. The reader is introduced to a young man called Arson who lives in isolation both figuratively and literally. The reader doesn't know why he feels so alienated, but is told he's "different".

“Arson tried to grab him before his face hit the dirt, but it was too late. “Don’t touch me. This is where I belong.” “Fine.” Arson shrugged, lying down beside him on the ground. “What are you doing?” “Helping you,” Arson said, placing his hands behind his head. “The first session’s free.” — Estevan Vega, Arson

Arson by Estevan Vega (published May, 2011, by StoneGate Ink) is the story of Arson Gable, the typical, normal teenage boy with a few notable exceptions: he can control fire with his mind and he has been told all of his life that he killed his own mother.

Arson Gable can create fire. He never asked for it. He never wanted it. But he can't shut it off.
