The TOSHIBA TEC B-SV4T is a 4" desktop printer that out-performs all printers in its class, whilst being extremely competitively priced. Its innovative design and high quality provides incredible reliability as well as fast and easy handling.

TOSHIBA TEC B-SV4T

Toshiba B-SA4T Series. With a footprint close to A4 in size, the front opening, top loading design ensures the B-SA4 is compact, whilst the choice of casing (plastic or metal) guarantees the printer is ergonomic for the office or robust enough for harsh operating environments. This provides the flexibility to configure the printer to suit most applications, from desktop to industrial.

Toshiba B-SA4T Series - Toshiba Tec Malaysia

The B-SA4T key operations are performed roughly in two modes: online mode and system mode. In online mode, where the B-SA4T is connected to a host device such as a personal computer, the key operations are performed mainly to pause or restart the B-SA4T and to display printer status messages and error messages on the LCD.
