Beyond the Prison Gates: Punishment and Welfare in Germany ...

In Beyond the Prison Gates, Rosenblum argues that a 'distinctively German' approach to welfare policy, based on cooperation and competition 'between private, mostly Christian charities and public welfare offices', along with the claim of Weimar-era reformers that 'true punishment is welfare work', has shaped that country's penal system, endowing it with an especially 'mild' and 'social' approach to the treatment of offenders which continues to the present (pp. 3, 4, 232).

Woman faces possible life in prison after allegedly buying ...

It is an opportunity to look beyond the punishment for a past wrong to the promise of a meaningful future. It is a moment to reflect on that part of people's stories that has yet to be told. Unlike the original sentencing court and the parole board, the executive is not constrained by the retributive principles that characterize the American ...
