The paradox of tolerance states that if a society is tolerant without limit, its ability to be tolerant is eventually seized or destroyed by the intolerant. Karl Popper described it as the seemingly paradoxical idea that, "In order to maintain a tolerant society, the society must be intolerant of intolerance." Popper expands upon this, writing, "I do not imply for instance, that we should ...

Paradox of tolerance - Wikipedia

Walsham argues that tolerance and intolerance went hand in hand. The practical toleration granted to Catholics and Dissenters was, she suggests, the very reason why they were denounced with such ferocity. This was one of the defence mechanisms that enabled people to cling on to a belief in religious uniformity in the face of widespread religious diversity.

Karl Popper's paradox of tolerance argues that a tolerant society must be able to defend against intolerance in the form of hate speech and discrimination.

This Is Why Intolerance Should Not Be Tolerated | THOUGHTS

Are you tired of seeing hatred and bullying take place in your community and around the world? If you are like most people you believe that acceptance and tolerance allow the world to be a more peaceful place. Unfortunately, there are still individuals who want to spread hate and anger to those who are different.
