Connecting Social Problems And Popular

Now in its second edition, Connecting Social Problems and Popular Culture goes beyond the news-grabbing headlines claiming that popular culture is public enemy number one to consider what really causes the social problems we are most concerned about. The sobering fact is that a "media made them do it" explanation fails to illuminate the roots of social problems like poverty, violence, and environmental degradation.

Connecting Social Problems and Popular Culture ...

"In Connecting Social Problems and Popular Culture, Karen Sternheimer delivers a necessary synthesis, with a devastating media analysis, in response to the prevalent cottage industry of exaggeration, myth, and invention about popular culture's impacts on youth behavior. And in layering a critique of society, class, and race over actual evidence she produces a work of great value to those working with or teaching about youth."

Amazon.com: Connecting Social Problems and Popular Culture ...

Connecting Social Problems and Popular Culture is an unconvincing study of how the media is blameless for many problems that exist in society. If the author is not citing research reports, she uses her personal anecdotes. Sometimes, she sounds like she is writing a student paper.

Connecting Social Problems and Popular Culture Notes - Stuvia

A social problem is any condition or behavior that has negative consequences for large numbers of people and that is generally recognized as a condition or behavior that needs to be addressed. This definition has both an objective component and a subjective component.. The objective component is this: For any condition or behavior to be considered a social problem, it must have negative ...

1.1 What Is a Social Problem? - Social Problems

Social problems arise from fundamental faults in the structure of a society and both reflect and reinforce inequalities based on social class, race, gender, and other dimensions. Successful solutions to social problems must involve far-reaching change in the structure of society.
