[Neverwinter] Control Wizard Basics

Hi all, I was just wondering, is the Control Wizard the most awkward character to level up in the early stages? I'm new to the game, (about a month playing) and I'm addicted to creating alts. What I normally do is purchase the blue socketed weapon for the character that levels with you and then put i a rank 5 radiant gem for lots of power.

Control Wizard Guide: Race, Role, & Ability Score

Control Wizard has one of the dumbest slow starts in an MMO I've ever seen, and I've played plenty of MMOs. Looking at builds, you only have one remotely decent skill that doesn't synergize for s*** early on. At level 30 you can get two of them (assuming you choose a certain Path that I can't remember the name of), Sudden Storm and Icy Terrain.
