Exodus: How Migration is Changing Our World by Paul ...

In 'Exodus', Paul Collier lays out the effects of encouraging or restricting migration in the interests of both sending and receiving societies. Drawing on original research and numerous case studies, Collier explores this volatile issue from three unique perspectives: the migrants themselves, the people they leave behind, and the host societies where they relocate.

Book Review: Exodus: How Migration is Changing Our World ...

Migration is a sensitive topic. Most people have very strong opinions and will ignore any evidence supporting ideas other than their own. In Exodus: How Migration is Changing Our World by Paul Collier, migration is looked at from three different perspectives: the migrants; the host societies; and the people left behind in the country of origin.. Collier illuminates that all three of these ...
