### **Exploration Guide Eve**

EVE Online's New Eden star cluster provides you with almost countless opportunities for exploration and discovery. The game features over 5200 unique Star Systems, each of them with its own secrets, and ways of making a good amount of ISK out of discovering them. At its base level, the exploration in EVE is done via the usage of Scanning Probes.

### **Ultimate Guide to Exploration in EVE Online - Odealo**

Exploration in EVE involves using scanning probes to locate Cosmic Signatures in space which may contain hackable containers with items inside, resources like gas clouds or ore, wormholes to distant star systems, or collections of NPCs which may drop rare items. As a profession, exploration can be profitable and engaging, and offers better rewards for players

### **Exploration - EVE University Wiki**

Exploration in Eve Online. As a new player, one of the first things you can try out in Eve Online is exploration. Exploration is the act of searching for, scanning down, entering and completing cosmic signature sites. Getting started with exploration is easy enough. but to become a successful explorer you need to understand the differences between the cosmic signatures, how to scan them down and what skills will help you do that.

Early on in your exploration career, you should decide (hopefully with the help of chapter one of this guide) which ships you'd like to end up using after you "graduate" from T1 frigates. Since the basic requirements speak for themselves, I'll keep this brief. T2 covert ops ships, simply train your desired frigate skill to level V.

### **Ultimate Guide to Wormhole Space in EVE Online - Odealo**

Eve University has an excellent guide about safe spots and how to make them. Map your directional scanner (dscan) refresh button to a hotkey. In wormholes, you should be refreshing dscan at LEAST twice a minute and preferably about every 5 seconds during all the time you are uncloaked. This is not exaggerating.

### **Exploration 101**

The biggest problem with exploration and its viability as an activity in Eve is competition. The more people you stuff in to an area the more likely someone else will nail a site before you. I run my own tax-haven corp to do Exploration from, the isk is good when you find a region that's not overly occupied. level 1

### **Are there any exploration guilds/corporations? : Eve**

EVE has two real sides. Effectively, Empire (including low sec) and ZEROZERO (nullsec around here). Exploration, missions, incursions and mining to some extent, are carebear activities. You can make money, but it's not a game, it's a grind.
