What You Get. The FR-250 radio is branded as an Etón radio in the United States, but is actually manufactured by the German company Grundig, and sold as Grundig in other countries.What a remarkably affected name Etón is, whereas Grundig is a well known and well respected name.The marketeers have made a puzzling choice in discarding the established brand for this new name and we'll continue ...

Grundig Eton FR250 Emergency Radio - The Travel Insider

If there is just one emergency radio you would want to have during an extended blackout just to listen to your local broadcasters, the FR-200 is the one. Because the Grundig FR-200 has a analog tuning (no digital readout or PLL circuitry) this radio literally just sips batteries and that is it's greatest strength.
