The drawing process of any character (be it a girl or boy) in anime is divided into two fundamental parts: The design of the face The design of the body. Each of these parts requires special attention, since doing them without a specific order would end up causing your character to end disproportionately.

To draw one, start by drawing a thick upper lash line just underneath the horizontal line you drew and on one side of the vertical line.

Then, draw a semicircle coming down off the upper lash line, and draw a black pupil in the center of it.

Next, draw a narrow, horizontal line
