### Intuition by Osho (ebook)

Intuition is the direct perception of reality, without interference from the prejudices and belief-systems of the mind. It is "knowing beyond logic" - and only those who are capable of going beyond the limitations of logic and analysis are able to respond creatively to the new and changing situations they encounter every day.

2. Intuition: Knowing Beyond Logic by Osho. In a world where logic is more valued than intuition, we are taught from an early age to think, and don't trust hunches and feelings. As a result, we get more disconnected from the spiritual aspects of ourselves, and we hush the higher self's voice - intuition.

### 5 Books to Help You Connect With Your Higher Self

The world needs a tremendous rebellion that can take it beyond intellect into the silences of intuition. The very word intuition has to be understood. You know the word tuition --tuition comes from outside, somebody teaches you, the tutor.
