The Invisible Data War. 09/27/2020 By Stillness in the Storm Leave a Comment. ( Norman F. Anderson ) Until recently the biggest source of global conflict had to do with energy, oil, and gas resources, but today data is more valuable, and much more disruptive. The bits and bytes of the information revolution are, it turns out, are disruptive economically and geopolitically.

### **The Invisible Data War - Stillness in the Storm**

It follows a woman who believes she is being stalked and gaslit by her abusive and wealthy boyfriend even after his apparent suicide, and ultimately deduces that he has acquired the ability to become invisible. The film stars Elisabeth Moss, Aldis Hodge, Storm Reid, Harriet Dyer, Michael Dorman, and Oliver Jackson-Cohen. It is an international co-production of the United States and Australia.

### **The Invisible Man (2020 film) - Wikipedia**

With her force fields and the ability to see the invisible, Sue Storm would easily get the better of Translucent. While she has a strong moral code and is against killing, the Invisible Woman could at least apprehend him, even when he's in his carbon form and unseen to the rest of the population.
