JCB 3CX No forward or reverse! *FIXED* Talk about technical issues here. Questions and answers! 2 posts • Page 1 of 1. Topic author. Mikerb ... It feels more like an electrical problem, as the transmission was working fine (apart from the hesitation), no loss of power or funny noises. It just wouldn't move the next time I got in and started it.

JCB Transmission Service Repair Workshop Manual DOWNLOAD

Hi all, I have a C registered (1986?) JCB 3CX that has been laid up over the winter and now wont go in reverse. The selection lever moves and all the gears work going forward but just cant get it to go backwards; it was fine when I used it at the end of last summer. Is the selection microswitch controlled as opposed to mechanically?

JCB 3CX - Wont go in reverse - The Farming Forum

If there is a shift solenoid malfunction or if there are shift solenoid problems it may be . Down on the transmission there are little box thingies that work the gear.
