Student Resources | JUMP Math

The student workbook itself might be completed in one school year. What transforms Jump In into a two-year program are the '10-Minute Writing Plunges' found in the teacher manual. These are a number of writing prompts -- four per week for September through May -- that are the basis for ten-minute writing assignments to be completed Monday ...

JUMP Math is a numeracy program. JUMP Math is dedicated to enhancing the potential in children by encouraging an understanding and a love of math in students and educators. JUMP Math replaces the self-fulfilling myth that some people are born with mathematical ability while others do not have the ability to succeed with assumptions that all children can be led to think mathematically.
