I enjoyed "Knit one, kill two". It was the enjoyable easy read I thought it would be (perfect reading for when I was recuperating from a stomach bug last week). It follows Kelly, who has returned to the area after her aunt has been murdered, and who tracks down the killer with the help of some friends she makes at the local yarn shop.

Author Maggie Sefton: Kelly Flynn Mysteries

Knit One Kill Two: A Knitting Mystery, Book 1 I agree- give us more Sefton!! Ms. Sefton's mysteries are very easy reading and listening, but at the same time keeps one guessing. All of her books are very descriptive especially her "Knitting" series. As a knitter I wish I could find a shop like the one she describes.
