The operative question in media law and ethics is whether it is right to exercise the rights granted journalists and other media practitioners under the First Amendment and the Universal Declaration of Human Rights. This includes studying how media law and ethics designed for the media in real space have been transferred to cyberspace.

Media Law Classes: DEFINITION OF MEDIA LAW AND ETHICS

This a great book for Media Law and Ethics. It has a lot of great case references that make it easier to understand concepts and a great way to reference back. The only downside is that it is quite a heavy read because there is so much information packed into it, so I found myself re-reading a lot to let it sink in.
