Mick Jagger Philip Norman

Philip Norman is a masterful rock diarist with a gift for elegant and descriptive prose. Philip Norman seems overeager to give Jagger credit for the instances when he is NOT contemptible, as for the fact that all of Jagger's children seem to be genuinely fond of him. In the absence of cooperation and input from Jagger himself, Norman surmises too much: "This was the most horrible experience of Jagger's life, no matter what he may say himself (paraphrased)."
