The content of Moments with a Master is far more subjective than objective; still one wishes Nankani had shown something less than an icing of sweetness surrounding all of her Master's activities and discourses. Most spiritual teachers occasionally show a strict and even angry aspect, and this was missing, and missed.

Unfortunately, meeting leaders often start meetings by reviewing the agenda (here's your agenda guide) and diving straight into the first agenda item. As a result, participants often aren't sure of the purpose of the meeting, the products to be produced, why the meeting is beneficial, or why the meeting should be important to them.
