In the beginning there was the Motley House, crawling with cockroaches and rats, beer cans piled on the porch so high they threatened to spill into the house every time you opened the door. "That place gave birth to Motley Crue," the band recalls in *The Dirt: The Autobiography of Motley Crue*. After the record contract, they write, "like a pack of mad dogs we abandoned the bitch, leaving with enough reckless, aggravated testosterone to spawn a million bastard embryo metal bands."
