New strategies for museums in the digital age | Museums ...

Museums as media companies? It may seem like a bit of a stretch, but as museums reposition themselves for our new digital age they are becoming more than physical places to visit. Like never before, museums are throwing open their digital doors to a wider audience and giving virtual visitors a behind-the-scenes look at their work and the stories surrounding the objects in their collections.

How Museums are Embracing the Digital Age

The idea of this museum for a digital age won't appeal to everyone, and I think that highlights another exciting opportunity that technology provides. Today a museum creates one experience for all it's audiences, but in our reimagined institution, every visitor could have an experience tailored for them.
