### My Big Dinosaur Book

I purchased this book for my 11 month old daughter. I know the title is My BIG Dinosaur book, but I somehow didn't expect it to be so big. My baby loves the bright colors and the size of the book makes it harder for her to catch her fingers when turning the pages. There are so many dinosaurs in this book, including many not-so-popular ones.

The "My Big Dinosaur Book" is a great addition to the Big Ideas for Little People series of books (we also have the Trains and Trucks books). Both of my sons love these books -- my 5 year old STUDIES every name, picture, and category and has been reading the Dinosaur book every day since he received it. My 3 year old loves to look at the pictures over and over. The photos have realistic and colorful models of each dinosaur, most of the full body (a few have just the face).
