Networking guide for Introverts | Cleverism

The good news is that you CAN be successful in network marketing as an introvert that isn't the life of the party, and who doesn't have a huge network of friends. It's all about honoring what you're naturally skilled as already, and what you enjoy, while at the same time pushing your boundaries just a bit and expanding your comfort zone.

Network Marketing for Introverts: how to find success ...

Hey there. Since you're reading this, I'm sure you know how hard it is to "network" in the traditional sense, as an introvert. But it doesn't have to be that way! Here's the hard-earned advice that'll help you build and maintain a valuable network.

The Introvert's Guide to Networking

When you network in person, you have a higher chance of making an impression. Using LinkedIn is an excellent way to reach out to employers, form meaningful connections and showcase your skills. Properly reaching out to people in your industry — those who share your interests, are part of the groups you follow or work in the industry you'd ...

Networking and Making Connections as an Introvert

Finally, at my first job, I took the Myers-Briggs personality test and a light bulb went off: I'm an introvert. I realized that there are many benefits of having my personality type—we introverts tend to be reflective and have close relationships, to name a couple—and I became proud of who I was.

6 Tips on How to Network for Introverts - The Muse

Network like an introvert. As introverts, it's within our power to be wonderful networkers. I bet you can immediately spring to mind many occasions in which you've helped others, this in itself is networking. It doesn't have to apply only to the people you think could be clients or customers either.
