OREDA Offshore Reliability Data Handbook Volume 1 and 2 ...
The sums of population for various equipment types are different in the 2009 and the 2015 versions of the OREDA Handbook. For some given equipment, the 2009 version has a larger total population than the 2015 version, and vice versa. This is mainly due to a modification of prioritization of the data collection on certain equipment.

Products - OREDA
