The past 30 years have seen the emergence of a growing desire worldwide to take positive actions to restore and protect the environment from the degrading effects of all forms of pollution: air, noise, solid waste, and water. The principle intention of the Handbook of Environmental Engineering series is to help readers formulate answers to the fundamental questions facing pollution in the modern era, mainly, how serious is pollution and is the technology needed to abate it not only available

The Small Business Grant supports local businesses that faced financial hardships and made adaptations as a result of COVID-19. The grant will provide a one-time reimbursement of up to \$2,500 for equipment, supplies, software, and safety equipment.

Marshall, TX | Official Website

The Europeans introduced the Caddo to iron tools, guns and improved crop cultivation, but they also brought diseases to which the Caddo had no protection. Hundreds, then thousands of Caddo died. By 1700, the Caddo population dropped from thousands to a few hundred. By 1790, Caddo Lake was the site of the one remaining Caddo village.
