PHIL 182: Social and Political Philosophy. This course examines the norms or principles that establish and justify societies and determine the rights and responsibilities of a society in relation to its own members, of the members in relation to each other and to society as a whole, and of a society in relation to other societies. The course considers the application of these principles to such issues as justice, human rights, political and social institutions, and world community.

Social and Political Philosophy: Classic and Contemporary Readings is a comprehensive primary-source anthology of readings on social and political thought. Ranging from ancient classics to contemporary works, this unique text combines the essential classics in the field—including the work of ancient Greek political philosophers and modern social contract theorists—with a significant amount of contemporary work on issues pertaining to poverty, drug legalization, multiculturalism, race ...

Social and Political Philosophy: Classic and Contemporary ...

A Theory of Justice is a 1971 work of political philosophy and ethics by the philosopher John Rawls, in which the author attempts to provide a moral theory alternative to utilitarianism and that addresses the problem of distributive justice (the socially just distribution of goods in a society). The theory uses an updated form of Kantian philosophy and a variant form of conventional social ...
