A spiritual path is a specific purpose designed to you (or rather, your soul). When you made the choice to embody in this lifetime, you also brought with you a few life lessons (or soul lessons) that you needed to master. Some of those lessons may be from a past life (if you lived a past life). Some of these lessons are specific to this life.

Spiritual Astrology: A Path to Divine Awakening eBook ...
I use spiritual astrology as a communication tool to provide Spiritual Direction and initiate a spiritual awakening process. It combines the natural human curiosity of "how can astrology be so accurate" with the first step of the spiritual growth process: Spiritual Enlightenment. With the help of the universe, my methodology is nothing more than learning who you are so you can decide where you want to go, and what is the best way to get there.

All of the planets have a function to fulfill in promoting or obstructing our spiritual path. Ultimately, each planet is capable of performing both functions and can promote or restrict our spiritual or material development. Also, it should never be assumed that spiritual development and material progress are mutually exclusive.
