Spitfire Mk Is and IIs served only briefly in the frontline with the RAF, but their pilots were responsible for achieving impressive scores against the Luftwaffe during 1940/41. This volume details the RAF's first aces of World War 2 who helped stem the German tide during Britain's struggle for survival in the bitter years between 1939 and 1941.

Fighter-Aces / Supermarine Spitfire

I was disappointed that 'Spitfire mark I/II aces' was based more on the plane and the upgrades it went through than the aces that flew them. There is 75% information on the Mk.I/II and the improvements that it underwent and 25% information on the aces. I would recommend this book for someone who wants to read more about the plane than the aces.

Spitfire Mark I/II Aces 1939-41 (Aircraft of the Aces ...

Spitfire Mark I/II Aces 1939-41, Dr Alfred Price. Slightly different to many books in the Aircraft of the Aces series, Price splits his material, concentrating on the wider picture in the first part of the book before looking at eleven of the top Spitfire aces in the last two chapters of the book

Supermarine Spitfire Mk II - Military History

As the first Spitfire variant to see extensive service outside of Britain, the Mk V fought the Axis alliance over the deserts of North Africa, the waters of the Mediterranean and the vast expanses of the Indian Ocean off the northern coast of Australia. Initially produced in haste to combat the arrival of new German fighters (the Bf 109F and the Fw 190) on the Channel front, the Mk V had been ...

British Aces of World War Two The Battle of Britain. By Stephen Sherman, Dec. 2003.Updated July 5, 2011. A fter the fall of France and the Low Countries in June 1940, Hitler looked next to conquer the defiant British, still holding out under Sir Winston "We shall never surrender" Churchill. In 1940, Britain was still the Ruler of the Waves; the Royal Navy was the best in the world; and the ...

Spitfire Mk.II Aces High, Revell 05688 (2019)

The Supermarine Spitfire is a British single-seat fighter aircraft that was used by the Royal Air Force and other Allied countries before, during, and after World War II.Many variants of the Spitfire were built, using several wing configurations, and it was produced in greater numbers than any other British aircraft.

Supermarine Spitfire - Wikipedia

The Spitfire Mk.II "Aces High" Iron Maiden in scale: 1:32 brings fun and the best memories from the beginning. Their details, for example in the cockpit and on the radiator, the movable propeller and the faithful decals for the Aces High version leave nothing to be desired.
