Monday, January 16, 2017 The Apprentice Adept Split Infinity (1980) Well, it's certainly taken a while to post the first entry in this retrospective. You can always chalk it up to being lazy and busy with more "important" things (like work), but there's also a reason I wasn't entirely prepared to accept.

Apprentice Adept is a heptalogy of fantasy and science fiction novels written by English American author Piers Anthony. The series takes place on Phaze and Proton, two worlds occupying the same space in two different dimensional planes. Phaze is a lush planet of magic, where Proton is a barren mining planet of science. As the series opens, each person born on Phaze and Proton has an alternate self living on the other world. But if a person on either world lacks a duplicate, he can cross to the o
