Starting Strength 3rd Edition - mail.trempealeau.net
Like Starting Strength's 3x5 workout, Greyskull LP is also a linear progression program. However, there are several differences between the Starting Strength and Greyskull beginner programs: Phraks Greyskull LP starts with your upper body as opposed to Starting Strength, which starts with your lower body.

Phraks Greyskull LP Variant vs. Starting Strength vs. GSLP
So too does Mark Rippetoe in his classic on strength training, Starting Strength. Rippetoe's book selects five barbell exercises and studies them in detail. That's the book. (For the third edition he throws in some supplementary lifts, but generally discourages the reader from them.)
