"And if you want to change your life - for the better - and have never read the Colombian novelist Alvaro Mutis, you owe it to yourself to get acquainted with *The Adventures and Misadventures of Maqroll*. A collection of seven novellas that can be read at a run or singly, it features the greatest rainbow-chaser since Quixote, but a lot sexier and ravenous for both learning and love, not to mention fantastical, doomed schemes to make a pile of loot."

by noquar. The Adventures and Misadventures of Maqroll is difficult to categorize. It's an outlaw adventure story populated by men and women who live where and how they must; these are the people who work near shipyards and the banks of unexplored river tributaries, people who value candor and honesty but for whom strict adherence to the law is often inconvenient.
