Career Builder Toolkit. Unless your best friend in high school persuaded you to join her mega-successful startup right after graduation—in which case you're probably a millionaire, anyway—chances are pretty good you've applied for several jobs in the tech industry. For most technology jobs, the application process is straightforward: you start by sending in your résumé and other materials.

### **Career Builder Toolkit - Dice Insights**

The "High" wage is usually earned by very experienced, trained workers in an occupation. Only 10% of workers earn more, while 90% of workers earn less than that amount. Median wage means half the workers in that occupation earn less and half earn more. The "Low" figure shows the range usually earned by entry-level, inexperienced workers.
