### **The European Union Politics And**

The politics of the European Union are different from other organisations and states due to the unique nature of the European Union. The EU is similar to a confederation, where many policy areas are federalised into common institutions capable of making law; however the EU does not, unlike most states, control foreign policy, defence policy or the majority of direct taxation policies. These

## **European Union - Wikipedia**

The EU represents one in a series of efforts to integrate Europe since World War II. At the end of the war, several western European countries sought closer economic, social, and political ties to achieve economic growth and military security and to promote a lasting reconciliation between France and Germany. To this end, in 1951 the leaders of six countries—Belgium, France, Italy, Luxembourg, the Netherlands, and West Germany—signed the Treaty of Paris, thereby, when it took effect in ...
