Lost Colony | English settlement, North America | Britannica

Each colony had its own government and laws, including its own railway system, postage stamps and tariffs—taxes. A race of transdimensional aliens, called Sphere-Builders, were defeated by the Federation in the 26th century so they deceived the Xindi into thinking Earth would attack them in the future, convincing them that they should ...

which was the last colony to join the federation?

The lost colony of Roanoke is one of the most-notorious mysteries in American history; the cryptic clues left at the abandoned settlement and the lack of any concrete evidence make it the focus of wild speculation and theories. In the settlement's difficult founding year, its mayor, John White, left for England to request resources and manpower.
