The Loch

Chillingly, the beautiful scenery, undulating Highlands and vast expansive loch becomes a character in its own right adding a haunting depth to the community's plight. Written by Bill Hart Plot Summary | Add Synopsis

The Loch (TV Mini-Series 2017) - IMDb

The Loch is Alten's most fully realized tale, but it still suffers from the same fatal flaws as all of his previous work.....Shallow, interchangeable characters, turgid prose, endless cliches.....The frequent flashbacks, told in phonetic Scottish brogue, are almost unbearable, not only for their difficulty to read, thanks to the brogue, but for the utter ridiculousness of their purpose. The reason behind the flashbacks is pure McGuffin, as is the filler murder trial.

The Loch (2014) - Rotten Tomatoes

This is a highly entertaining adventure from Alten, who is famous for his MEG series. I enjoyed the heck out of the science, story, and characters in this novel. THE LOCH is quite similar to some of the excellent books by Douglas Preston and Lincoln Child, like THUNDERHEAD, THE ICE LIMIT, and RIPTIDE. This is my favorite Alten novel.

The Loch by Steve Alten - Goodreads

The Loch. Loch Ness holds secrets, ancient and deadly. Does a monster inhabit its depths, or is it just myth? Why, after thousands of reported sightings and dozens of expeditions, is there still no hard evidence? Marine biologist Zachary Wallace knows, but the shock of his near-drowning as a child on Loch Ness have buried all memories of the incident.

The watershed of Loch Ness covers more than 700 square miles (1,800 square km) and comprises several rivers, including the Oich and the Enrick. Its outlet is the River Ness, which flows into the Moray Firth at Inverness. Seiches (surface oscillations), caused by differential heating, are common on the loch.
