Prospecting guidemiller heiman - SlideShare

Prospecting can be broadly separated into two categories: outbound prospecting and inbound prospecting. The former is concerned with reaching out to potential customers you have little or no prior history with your business and includes techniques like cold calling, speculative emails and unsolicited messages on social media.

What Is The Right Approach To Sales Prospecting To Get ...

An introduction to the Miller Heiman sales process. A sales methodology is the process or framework utilized by your salespeople, enabling them to effectively begin and engage in each phase of the sales process. While similar to a sales process, a sales methodology differs in that it's a disciplined set of principles and best practices that translate into salesperson actions, as opposed to only mapping out a series of steps that lead to sales success.

An Introduction to the Miller Heiman Sales Process ...

Begin to create client value even before the sales cycle begins. Increase the number of qualified appointments in new and existing accounts. Shorten the sales cycle by improving the content of prospecting messages. Convert interest into conversations that uncover real needs.
