The Social Labs Revolution A

The Social Labs Revolution : A New Approach To Solving Our Most Complex Challenges. Foreword by Joi Ito, Director of MIT Media Lab. "Hassan blends a clarity of vision, and a refusal to pretend that simple solutions are adequate to address complex problems, with practical examples of what can be done. This book should be compulsory reading for anyone whose ambition is to change the systems that perpetuate poverty and inequality rather than just to mitigate the symptoms."

The Social Labs Revolution : Solving Complex Challenges

The Social Labs Revolution opens up the space to see, seed, and grow better future possibilities." —Dr. Angela Wilkinson, Counselor for Strategic Foresight, Organisation for Economic Co-operation and Development "Real transformational change requires a radical transformation in the way civil society creates strategy.

Amazon.com: The Social Labs Revolution: A New Approach to ...

The Social Labs Revolution reports and builds on a decade of practical experiments in addressing social challenges that are complex in nature. These range from the sustainability of global food systems and child malnutrition to state collapse and climate change. Zaid Hassan, a co-founder of Reos Partners, makes the case that taking a planning-based approach risks almost certain failure.

The Social Labs Revolution: A New Approach to Solving our ...

The means to achieving this mission was the Change Lab, a prototype social lab that Generon developed working with others in the Boston/MIT/Society for Organizational Learning (SoL) community. The following years were spent conceiving, convening, designing, and running social labs around the world.

The Social Labs Revolution A New Approach to Solving Our ...

Social labs represent the constitution of a new sphere of activity, a new space. The gathering together of people within this space represents the beginning of what can be thought of as an armistice, a suspension of what has been called the battle of the parts versus the whole.

The Social Labs Revolution, a new approach to solving our ...

In May 2015 the Lifestack team in New Zealand had the opportunity to learn from and with Zaid Hassan, author of The Social Labs Revolution (2014) and Louise Marra (Auckland Co-design Lab, New Zealand) along with a cohort of people they convened around a two-day Master Class on Social Labs.

Social Labs Revolution - Notes from a Masterclass in New ...

The Social Labs Revolution is a refreshing, well-written call to arms for matching knotty problems with less-than neat processes, and for confronting complex issues with complex thinking. Hassan notes that the social lab model is still under development—that the approach itself is emergent and iterative.

He rides a single-speed (non-fixie) Genesis bike that is the colour of a sunset. He currently lives in Oxford with his wife and young son.

The Author - Social Labs

Social labs, says Zaid Hassan, are a dramatically more effective response. Social labs bring together a diverse a group of stakeholders - not to create yet another five-year plan but to develop a portfolio of prototype solutions, test those solutions in the real world, use the data to further refine them, and test them again.
