The Story of Roman Bath (reprint, 2012). - Free Online Library

Bathing played a major part in ancient Roman culture and society. It was one of the most common daily activities in Roman

culture and was practiced across a wide variety of social classes. Though many contemporary cultures see bathing as a very private activity conducted in the home, bathing in Rome was a communal activity. While the extremely wealthy could afford bathing facilities in their homes, most people bathed in the communal baths. In some ways, these resembled modern-day destination spa

Ancient Roman bathing - Wikipedia

The Roman Baths are a well-preserved thermae in the city of Bath, Somerset, England. A temple was constructed on the site between 60-70CE in the first few decades of Roman Britain. Its presence led to the development of the small Roman urban settlement known as Aquae Sulis around the site. The Roman baths—designed for public bathing—were used until the end of Roman rule in Britain in the 5th Century CE. According to the Anglo-Saxon Chronicle, the original Roman baths were in ruins a ...

Roman Baths (Bath) - Wikipedia

ROMAN BATH There is a legend that Bath was founded in 860 BC when Prince Bladud, father of King Lear, caught leprosy. He was banned from the court and was forced to look after pigs. The pigs also had a skin disease but after they wallowed in hot mud they were cured.

A History of Bath - Local Histories

The Romans were concerned about health and cleanliness. A network of pipes brought clean water into the city of Rome and removed waste. The public bath house was the place where people went to socialise and do business as well as getting clean.

The Romans - The Bath House - History

The archaeological evidence shows that the site of the Roman Baths main spring was treated as a shrine by the Celts, and dedicated to the goddess Sulis. The Romans probably occupied Bath shortly after the Roman Invasion of Britain in 43AD. They knew it as Aquae Sulis ('the waters of Sul'), identifying the goddess with Minerva. In Roman times ...

An Introduction To The History of The City of Bath ...

The baths were a huge draw and people travelled across the country to bathe in the waters and worship at the religious temple. After the Roman withdrawal from Britain in the early 5th century, the baths were neglected and fell into disrepair, before being destroyed by flooding.

The story of Roman Bath (Book, 2012) [WorldCat.org]

After King Edward VI school visited the Roman Baths, students were asked to pick an object from the collection and write a creative piece or report. Lila produced an excellent story and it is based on one of the curse tablets which were thrown into the

Sacred Spring. You can read Lila's story below.

Lila's story | The Roman Baths

One of the most famous Roman baths was in Bath, England. The baths were built on hot springs that were said to have healing powers. The floors of the baths were heated by a Roman system called a hypocaust that circulated hot air under the floors. Items were often stolen in the baths by pickpockets and thieves.
