With being book eight, we use what we've come across in the universe. As many things move forward, some things go backward. Jared and many others are moving forward in the battle against AI's and preparing. They need the scepter to open vaults, as do others in another universe.

The Terra Gambit (Empire of Bones Saga #8) by Terry Mixon

So Empire of Bones is probably one of my top five sci-fi series. To be fair, I didn't enjoy Book 8 quite as much because of how he chose to incorporate different characters. BUT, part of a good series is doing the unexpected and not staying on the typical story arc. So, Terra Gambit gets 5 stars because Empire of Bones is a 15 star series.
