The Testament of Mary is presented as a missing part of the Bible told in the first person by Mary, Jesus' mother. Missing (or suppressed) because Colm Toibin's Mary is a sceptic of the Christian faith who relates memories of her son that question the foundation of the other testaments that paved the way to the world's most popular religion.

The Testament of Mary by Colm Tóibín - Goodreads

The Testament of Mary is a play written by Colm Tóibín, based on his 2012 novella of the same name and 2011 play Testament. The play is a solo performance depicting "the mother of Jesus tells her story of her son's Crucifixion" and questions his death and divinity. After a 2011 Irish production, the play ran briefly on Broadway in 2013, closing after only two weeks of a scheduled 12-week run, but it was nominated for three Tony Awards, including Best Play.

What Mary Thought: 'The Testament of Mary' by Colm Tóibín

Colm Toibin's portrait of Mary presents her as a solitary older woman still seeking to understand the events that become the narrative of the New Testament and the foundation of Christianity. In the ancient town of Ephesus, Mary lives alone, years after her son's crucifixion. She has no interest in collaborating with the authors of the Gospel.

Testament of Mary (Toibin) - LitLovers

Colm Tóibín is a favourite author of mine - *The Master* was a masterpiece and *Brooklyn* was a gem of a novel. *The Testament of Mary* doesn't quite equal those books in heft, but it does so in the power to move and take the reader to events of legend and make transparent what has been clouded by myth.
