Full of information, The Wisdom of Our Cells is a book I could reread, but learn new things time-and-time again. Another book that informed me about evolution is Jennifer Ackerman's, The Genius of Birds. It too changed the way I understood evolution. The Wisdom of Your Cells: How Your Beliefs Control Your ...

Humanity is a single body containing cells and each one of us is a cell in that structure. When we understand that, we should stop harming each other and start organizing ourselves into the social structures that reflect what is going on in the human body. When we arrive at that point, the Earth will complete its evolution as a single living cell.
