This isn't the best touch & feel book we own, but it is a nice addition. There is a lion with a thick, furry mane; a lizard with "bumpy" skin, although it doesn't feel all that bumpy to me; a dolphin with skin that feels like craft foam; a frog with sticky toes (my favorite), and a furry koala which I think is too similar in texture to the lion.

The size of the textured patches where my 7 month old can touch/feel is excellent. The size of the book itself is perfect, too. Most of all, the variety of textures in this book is what makes it stand out from the others. Unlike so many other touch and feel books, this one has more than just "soft fur."
