Tv Guide Plus Not Working

The same problem Guide went on my UE32 J5600 smart tv soon after purchase. Samsung support who are fairly useless told me it was a software issue awaiting new update. Then in December the Guide was back and now again gone! What goes on What rubbish! Would not reccomend Samsung tv to anyone for this.

Turned on tv to play Samsung plus TV and it said "content unavailable, please check your server." Or something along those lines. I ended up going to my settings, went to "TV device manager" and it gives you the option to "clean" certain things such as cache, close running apps and free up storage. I did this and it started working again!
