I contacted Samsung help support--in what turned out to be a less than fruitful interaction--and they informed that Samsung does not manufacture any refrigerator that will "automatically" resume cooling after loss of power--they ALL require manual intervention. Which I informed them was an idiotic design fail and needed to be fixed.

If you want a TV with better viewing angles then this is the model for you. I personally did not notice any image degradation when viewing from different angles. This Samsung Q80T TV does provide very good picture - deeper and more uniform blacks when we watching Gravity. Felt like we were in the scene with the actors.
