These quizzes draw from the same database of questions and differ only in the number of questions presented. Each time a quiz is opened, a new set of random questions will be produced from the database. The Collaboration for NDE Education does not record the names of individuals taking a quiz or the results of a quiz. 20 Question UT Quiz

UT Quizzes

Algebraic free response questions allow your instructor to ask a question that expects an algebraic expression as an answer. Unlike a short answer question these questions don't require your submission to exactly match the answer in the system, but rather your answer has to be mathematically equivalent to the correct answer on record (eg,
