With A Kiss Ebook Kim

Kim Dare's own experience with the Lifestyle give a wealth of experience in the subtle construction of poignant, trust based kink relationships. She carefully confronts the questions of guilt, shame and consent in her well crafted novels, so that the sex is a beautiful example of plot and character development rather than the badly written porn ...

With a Kiss by Kim Dare, Paperback | Barnes & Noble®

Unlike a lot of Kim Dare books this one doesn't have a lot of sex in it which was great because the story didn't need it. There's still sex and kink of course but the main focus is healing and protecting the person you love and this author didn't resort to the magical healing sex bit that a lot of people do.
